Capital Investment Subsidy Scheme under National Bamboo Mission
Procedure for Sanction and Release of Subsidy

There are a number of activities under NBM which are to be financed by a credit linked back ended subsidy by Financial Institutions (FIs) including banks. The following is a gist of the procedure to be followed, to be read along with the flow chart and formats annexed:

1. Advance Subsidy

50% of the eligible subsidy amount will be released as advance by State level Bamboo Development Agency to the participating FI (bank) on submission of a project scrutiny note cum claim form as per requirement and the norms of NBM. The same would be kept in a Subsidy Reserve Fund Account of the concerned borrowers, to be adjusted finally against loan amount of the bank towards the end of the repayment period and completion of project as per the time schedule.

2. Final instalment of subsidy

The remaining 50% would be disbursed to the participating banks by State level Bamboo Development Agency after conduct of an inspection by the Joint Monitoring Inspection Committee consisting of officials from the financing bank, State and District level Bamboo Development Agency and their recommendations to that effect.

3. Adjustment of subsidy to Borrower’s Account

The subsidy released to the bank for individual project will be kept in a separate borrower-wise account. The adjustment of subsidy will be back-ended. Accordingly, the full project cost including the subsidy amount, but excluding the margin money contribution from the beneficiary, would be disbursed as a loan by the banks. The repayment schedule will be drawn on the loan amount in such a way that the total subsidy amount is adjusted after the full bank loan component with interest is liquidated.

4. Utilisation Certificate
After release of final instalment of subsidy, a Utilisation Certificate is required to be submitted by the financing bank certifying that the full amount of subsidy received in respect of the project has been fully utilised (by way of crediting to the “Subsidy Reserve Fund Account - Borrower-wise”) and adjusted in the books of Account under the sanctioned terms and conditions of the project within the overall guidelines of the scheme.

5. No interest chargeable on subsidy portion

No interest should be charged on the subsidy by the bank. For the purpose of charging interest on the loan component, the subsidy amount should be excluded. The balance lying to the credit of the subsidy reserve fund A/C will not form part of demand and time liabilities for the purpose of SLR / CRR.

6. Pattern of Assistance

i) Owner's contribution 10%
ii) Subsidy from Government of India more 50% subject to the maximum ceiling (10% for NER States)
iii) Bank loan 40%

7. Institutional Lending

7.1 a) Eligible Financing Institutions

The eligible financing institutions under the scheme are i) Commercial Banks, Regional Rural banks (RRBs), State Cooperative Banks (SCBs), State Co-operative Agricultural and Rural Development Bank (SCARDBs), Scheduled Primary Urban Cooperative Banks (PUCBs), Agricultural Development Finance Companies (ADFCs), North Eastern Development Finance Corporation (NEDFI), and such other institutions ii) Cooperatives where they seek loan from National Cooperatives Development Corporation (NCDC).

b) Term Loan

50% of the project cost can be raised as term loan from the financing banks. As the subsidy
as back-ended, eligible amount of the subsidy (25%) would be initially allowed as term loan to the beneficiary. The repayment schedule will be drawn on the total loan amount (including subsidy) in such a way that the subsidy amount is adjusted after liquidation of net bank loan (excluding subsidy). The financial institution may provide working capital separately for undertaking the business by the entrepreneurs.

7.2 Rate of Interest and Scale of Financing to the ultimate borrower

As decided by the financing bank, as per their respective Board approved policy.

7.3 Security

The security will be as per norms prescribed by RBI from time to time.

7.4 Repayment period

Repayment period will depend upon the cash flow and may be generally up to 8 years with a grace of one year.

7.5 Time limit for completion

If the project is not completed within stipulated 8 years period, the benefit of subsidy shall not be available and advance subsidy has to be refunded forthwith six months after 8 years.

8. Procedure to be followed for sanctioning of project and release of subsidy.

I. Projects financed through Banks

a) Interested promoter will submit the project proposal for term loan and subsidy to Bank on application form as prescribed by the concerned Bank along with project report and other documents for appraisal and sanction of loan.

b) Bank after appraisal and scrutiny of loan will furnish a brief project profile-cum-claim form for advance subsidy in the prescribed format given at Annexure I to District level Bamboo Development Agency. The loan shall be disbursed by the FI only after the project has been cleared and
approved by State level Bamboo Development Agency, which shall have a representative of the FI too.

c) District level Bamboo Development Agency on receipt of project profile cum claim form from participating bank, will recommend the proposal to the State level Bamboo Development Agency who will after scrutiny sanction and release 50% advance subsidy to the participating bank for keeping the same in the Subsidy Reserve Fund Account (Borrower-wise).

d) When the project is nearing completion, the promoter will inform the bank who will initiate action for an inspection by the Committee consisting of officials from bank, State and District level Bamboo Development Agency to ensure that the unit conforms to technical & financial parameters. After inspection is conducted, the bank will submit the claim form for final subsidy in the prescribed format given in the Annexure II to District level Bamboo Development Agency. The inspection report of Committee and completion certificate should invariably be enclosed with claim form for final subsidy. State level Bamboo Development Agency shall release the final subsidy to banks which will be replenished by the implementing agency or adjusted against the subsidy amount provided to banks in advance.

9. Monitoring

i) The monitoring of each project shall be done by Bank’s branches and District level Bamboo Development Agency with periodic reporting to the State level Bamboo Development Agency.

ii) An inspection committee consisting of Officials from State and District level Bamboo Development Agency, participating bank’s branch would inspect the project work within the overall scope of the operational guidelines of the above scheme and would submit its report which should be enclosed with the Annexure II. For this purpose, the promoter / participating bank will initiate necessary action to get the inspection conducted on the project site by the committee at the time when the project is completed, so as to avoid any delay in release / adjustment of subsidy.

iii) After crediting the final installment of subsidy in the reserve fund of the borrower, a utilization certificate as per the format at Annexure III is required to be submitted by the participating bank’s branch to State level Bamboo Development Agency to the effect that amount of subsidy received by them has been fully utilized/adjusted in the books of account under the sanctioned terms and conditions of the project, within the overall guidelines of the Scheme.
(iv) The progress report of the scheme as per the formats of shall be sent by State level Bamboo Development Agency to the Mission Director, National Bamboo Mission, Department of Agriculture Cooperation and Farmers Welfare on a quarterly basis.

10. Other Conditions

i. The participating bank's branch will adhere to their own norms, for appraisal of the projects.
ii. A signboard at the site "assisted under Subsidy Scheme of National Bamboo Mission, Government of India" will be exhibited.
iii. Govt.'s interpretation of various terms will be final.
iv. Any other pre & post inspection may be undertaken to find out physical & financial progress as and when required.
v. Govt. of India reserves the right to modify, add, and delete any term and condition without assigning any reason.

10. Subsidy
a) Total eligible subsidy (Rs.): :
b) Eligible advance subsidy (Rs.): :
c) Subsidy from any other agency 
   State Govt. :
   Central Govt. (for other components, if any) :
11. Brief account of the infrastructure to be created under the project
   (Description of components with cost)

   New unit to be created / existing unit Pls. Specify

12. a) Account No. and IFSC code of FI
    b) AADHAR no of Promoter, if any

13. Brief coverage on technical feasibility and
    Financial viability (Enclose along with project report)

14. Other relevant information:

15. The project has been appraised and found to be technically feasible and
    financially viable. Appraisal note is enclosed

16. We note that the repayment schedule cannot be altered. We also note that
    a time limit of ........ months is stipulated for completion of the project and
    submission of relevant documents from the date of disbursement of first
    instalment of loan. We also note that the advance subsidy has to be refunded
    forthwith if the project is not completed and the relevant documents are not
    submitted within the above stipulated period and as per the broad parameters of
    the scheme guidelines. It is further noted that in case of any delay in refund of
    subsidy, the financial institution will be liable for payment of penal interest. If
    subsidy is not refunded within 90 days of intimation, penal interest shall be
    charged @ bank rate + 1% from the financial institution and not promoter.

17. It is also certified that no subsidy / grant has been or will be availed for the
    project from any other Central Government Department/ Agency.

18. Certified that the project shall commence from ................... and promoter
    has invested Rs......... which is .......% of the TFO or shall invest Rs......... which is
    .......% of the TFO towards the project.

19. Financial institution / ..................... (Name of Govt. Agency) will monitor the
    progress of the execution of the project to ensure that the project is completed
    as per the technical specifications envisaged in the guidelines of the sub-scheme
    and project proposal without any variation and within the stipulated time as per
    the broad parameters of the sub scheme.
20. Certified that the financial institution will ensure that the promoter will not alienate the land and the project for a minimum period of term loan for any purpose other than the purpose for which the subsidy is extended.

21. An amount of Rs.................. (Rupees............................) being 50% of the eligible amount of subsidy may please be released in respect of the project for crediting to the "Subsidy Reserve Fund Account-Borrower wise". Financial institution confirms that that the subsidy will be kept in SRF Account only and not in other accounts like Fixed Deposits, Saving account etc.
