Subject: Request for participation in 16th Organic + Biotech India World Expo’19 by Trinity Media - reg.

Sir/Madam,

I am directed to refer the subject cited above and to say that this Ministry has received a letter from Chairman, Trinity Group & Managing Director, Chamber for Import, Export & Health regarding the participation in 16th Organic + Biotech India World Expo’19, from 1-3 August 2019, Goa.

2. The Organic & Biotech World Expo series is organised by Trinity Group Company and supported by Government, Chambers, Media & Professional associations. The Goa edition is shaping up to be India premier B2B networking opportunity, for all professionals within this ever-growing industry, being the biggest & the most important national exhibition for Agro-food processing, NPOP/MSME/SSI & related businesses.

3. Benefits of Exhibiting at Goa Expo:
   - 1 speaker slot for presentation at each expo
   - Complimentary logo branding at both venues
   - Logos presence on business visitors promotions
   - Logo with website link on official event website
   - Complimentary business invitee tickets (number depend on size of stall.)
   - Logo wherever possible on promotional material like badges, directory. Etc.

4. You are, therefore, requested to confirm your participation with required number of stalls.

Encl. as above.

Yours Faithfully,

(Dr. Y.R. Meena)
Additional Commissioner (Extension & INM)
April 24, 2019

To,
Shri Y R Meena
ADC (INM), Govt. of India

Sub: Our telecon on further discount for only for DAC&FW and NER at 16th Agrofood + Organic World Expo 2019, 1 - 3 August 2019, Panaji, Goa

Greetings from The Chamber for Import, Export & Health - Registered for promotion of commerce with Union Ministry of Corporate Affairs & relevant Government agencies.

Event Supported by Government of India - Ministries of Commerce & Industry, Food Processing Industries, Agriculture, AYUSH & Related Others.

This is with reference to the participation of State and Central Government DAC&FW and NER at the above mega international event. As a special one-off case, we are pleased to extend the following exclusive tariffs:

A highly discounted rate of Rs. 8125/- per sq. mt. + 18% GST as against applicable rate of Rs. 12,500/- per sq. mt. (35 % discount of Rs. 4375 per sq. mtrs) only. Further, instead of 18 sq mt stall, we will create a 9 sq mt stall to enable maximum numbers to exhibit.

Thus, the cost for a 9 sq mt stall would be Rs. 73,125 + 18% GST as against Rs. 1,12,500 and it would include tables, chairs, lights, carpet, fascia, dustbin, plug-point, etc.

The Goa edition is shaping up to be India's premier Agro B2B networking opportunity, for all within this ever-growing industry, being the biggest & most important national exhibition for Agro-food processing, Organic, NPOP / MSME / SSI & related businesses.

Premium Sponsorships are also available as below:
Platinum – Rs. 15 Lakh with 90 sq mtr. Space * Gold – Rs. 7 Lakh with 36 sq mtr. Space
Diamond – Rs. 10 Lakh with 60 sq mtr. Space * Silver – Rs. 6 Lakh with 27 sq mtr.

As choice locations are fast filling up, we request you to confirm your space requirements as soon as possible and look forward to having you on board. For any further info or assistance, please feel free to contact me.

Thanking you, with regards,

JOSEPH DIAS, MA (Economics); Chairman, Trinity Group +91 9769555657 &
Mg. Director, The Chamber for Impex & Health
Ex-Special Executive Magistrate, Govt. of Maharashtra
Dear Decision-maker,

Greetings from The Chamber for Importers, Exporters & Health - Registered for promotion of commerce with the Union Ministry of Corporate Affairs & relevant Government of India agencies.

Event Supported by Government of India - Ministries of Commerce & Industry, Food Processing Industries, Agriculture, AYUSH & Related Others

I spoke to our Chairman, Mr. Joseph Dias regarding exclusive tariffs for Department of Agriculture, and we are pleased to extend a rock bottom rate of Rs. 9375/- per sq.mt as against the applicable rate of Rs. 12,500/- per sq.mt. (25% discount, Rs. 3125 per sq. mtr's discount). There is a 20% premium applicable on all 3 side corner stalls, which is also being waived to enable you to confirm and close asap.

Sub: 16th Organic + Biotech India World Expo, 1-3 August 2019, GOA - Dr Shyama Prasad Mukherjee Indoor Stadium

PFA letters : H.E. Mrs. Mridula Sinha Ji, Governor of Goa, Hon'ble Shri Suresh Prabhu ji, Union Minister for Commerce and Industries, Govt. of India and Hon'ble Shri N.H. Shivashankar Reddy, Agriculture Minister, Govt. of Karnataka

It's time to welcome you to Goa once again for the Agro + F & B Pro Expo after Trinity's Mumbai edition, inaugurated by Hon'ble Shri. Subhash Desai, Maharashtra's Industries & Food Processing Minister, which was a grand success. Last year it was inaugurated by Hon'ble Shri. Shripad Naik ji, Union AYUSH Minister and In Mumbai, Hon'ble Shri Suresh Prabhu, Union Minister for Commerce & Industry, along with Padmashree Dr. HR Nagendra, Prime Minister's Adviser did the honours and away India's Best Awards & other recognitions.

Every year, this mega event has a number State Pavilions and Central Government Agencies present. Among some of the states who regularly exhibit are included Andhra, Bihar, Uttarakhand, Rajasthan, Chandigarh, Delhi, Chattisgarh, Jharkhand, Maharashtra, Telengana, Tamil Nadu, Goa etc. Similarly, Central Government agencies like APEDA, MPEDA, NIFTEM, Spices Board, Coir Board, Coffee Board, Tea Board, Coconut Board, etc. also do participate year after year.

India holds a unique position among 172 countries practicing organic agriculture; it has 650,000 organic producers, 689 processors, 669 exporters and 72,000 hectares under cultivation. Today, Sikkim is an organic state with 75,000 ha of land under organic cultivation based on an initiative that started in 2003. Meghalaya aims to convert 200,000 ha into organic farmland by 2020. With growing awareness of health, changing lifestyles and increased spending capacity in India, experts say the country's organic food market has a bright future. A recent government study predicted its value would reach $1.36 billion per year by 2020.

Drivers of Organic Demand - Increasing land area under organic cultivation, rising use of bio fertilizers and implementation of favorable policies for increasing production of organic products drive the Indian organic food market. The market for organic food in India is anticipated to grow at a CAGR of over 25% during 2016 - 2021, on account of changing food consumption patterns and increasing instances of contamination of farm produce with chemical fertilizers and pesticides, surging investments in organic food market and rising use of bio fertilizers. Favorable government initiatives and increasing profit margins due to high premiums are encouraging farmers to adopt organic farming practices and increase the total land area of organic farming.

The Goa edition is shaping up to be India's premier B2B networking opportunity, for all professionals within this ever-growing industry, being the biggest & most important national exhibition for Agro-food processing. NPOP / MSME / SSI & related businesses. The event brings Opportunities for Investment & Government Schemes in ORGANIC - Agro, Dairy & Animal Husbandry; Horticulture & Floriculture; Handlooms & Handicrafts; Organic & Natural Products; Food & Beverages; Government Parks/SEZs; Tourism & allied industries: AYUSH & Cooperatives and all related sectors. It is thus an opportunity for all industry and trade sectors.
The Organic & BioTech World Expo series is brought to you by Trinity Group - an ISO 9001:2015 company and supported by government, chambers, media & professional associations. The 2019 edition would see over 400 Brands in about 300 stalls making it the region's biggest showcase to date.

Do go through the statistics and figures, which show the great potential for Organic and Natural Products in the developing world of the Americas, Europe and countries like Australia, Canada and even India where the demand for these products is increasing by leaps and bounds. This is especially true of metropolitan cities like Mumbai, Bangalore... The brochures describe how you can attract investment to your states and also get domestic & international business.

**Business Visitors - Who will attend?**

Organic + Biotech India World Expo'19 is a B2B & B2C platform and all farmers & trade visitor promotional activities are targeting domestic and international decision makers and professional buyers from these sectors.

**Key Highlights:**

**Niche and Exclusive Platform:** Display and promote your organic products and network at a common platform with leading organizations from India and all over the world.

**Strong Organic Presence:** International trade show on organic products in India that has strict certification criteria thereby ensuring the quality of the products on display.

**Buyer-Seller Meetings:** Business development is a key theme of the trade fair and this gets concentrated at the personalized B2B meetings organized on-site during the event. International buyers from all over the world meet domestic suppliers to extend their network and develop new procurement sources.

**High quality seminar program:** On the knowledge and education side, an International Conference will be held to debate about the current practices / trends / challenges faced by the organic sector with eminent key national and international speakers from relevant industries.

**Benefits of Exhibiting at Goa Expo**

- 1 speaker slot for presentation at each expo
- Complimentary logo branding at both venues
- Logo presence on business visitor promotions
- Logo with website link on official event website
- Complimentary Business Invitee Tickets (numbers depend on size of stall)
- Logo wherever possible on promotional material like badges, directory, etc.

**Special Cost – Effective Government Stall Tariffs**

Two options are available:

- Raw Space - Rs. 12,000 /- per sq mtr or Shell Stall - Rs. 12,500 /- per sq mtr
- Minimum 18 sq mt shell stall would cost Rs. 2,25,000 + 18% GST with premium facilities

* There is a 15 – 20% premium on corner stalls & 18% GST on all payments

**Premium Sponsorships are available as follows:**

- **Platinum** – Rs. 15 Lakhs with 90 sq mtr. Space
- **Gold** – Rs. 7 Lakhs with 36 sq mtr. Space
- **Diamond** – Rs. 10 Lakhs with 60 sq mtr. Space
- **Silver** – Rs. 6 Lakhs with 27 sq mtr. Space

As choice locations are fast filling up, we request you to confirm your space requirements as soon as possible and look forward to having you on board. For any further info or assistance, please feel free to contact me.

Looking forward to hearing from you soon & assuring of our best services at all times.

MESSAGE

I am happy to learn that the Trinity Group, which has been organizing a number of herbal, organic, natural, agro-food and swadeshi products exhibitions in India and abroad, has now scheduled the 16th Annual Agro+ F&B Pro Expo'19 and Conference from 1st to 3rd August, 2019 at the prestigious Dr. Shyama Prasad Mukherjee Indoor AC Stadium, Goa.

As you are aware, Indian agriculture and food processing industries have made great progress, and the Ministry is happy to showcase before Indians and foreigners new schemes and initiatives. I am given to understand that a number of ingredients, agro product companies and packaged food and beverage brands, along with those in allied industries like packaging, preservation, logistics, etc. would highlight the options available for the Indian farmer/food cultivator, besides those into distribution, dealership and retail businesses.

I am confident that the 16th Annual Agro+ F&B Pro Expo'19 and Conference will boost trade, supply, manufacturing and joint-ventures, especially in the relevant fields of organics and biotechnology, besides contributing to India's food security, bettering the self-sustenance of the farmer and contributing to this vital sector fo the Indian economy.

My best wishes are with the organizers, exhibitors, delegates and visitors who will undoubtedly benefit from this important event.

M. Sinha  
(MRIDULA SINHA)  
Governor of Goa

5th February, 2019.
MESSAGE

Karnataka has been the leading state in promoting Organic Agriculture & has got rich experience in organising the International Trade Fair on Organic & Milltles successfully for the last three years in Bangalore. In similar lines it is great pleasure to note that the Trinity Group has now scheduled 16th Organic & Biotech India World Expo & Conference from 1 - 3 August, 2019 at the prestigious Dr. Shyama Prasad Mukherjee Indoor Stadium, Goa.

I am given to understand that, a number of agro-product companies and packaged food and beverage brands, along with those in allied industries like packaging, preservation, logistics, etc. would highlight the options available for the Indian farmer / food industrialist, besides those involved in distribution, dealership and retail businesses.

I am sure that the knowledge sharing interactive secessions, a series of seminars along with free sampling, consultancy, workshops, demos, etc. will attract thousands of agriculturists, food processors, faculty, students & others who would be visiting this event.

I am confident that 16th Organic & Biotech India World Expo & Conference will boost trade, supply, manufacturing and joint-ventures, especially in the relevant fields of organics and biotechnology, besides contributing to India’s food security, bettering the self-sustenance of the farmer and contributing to this vital sector of the Indian economy.

My best wishes to Government of Maharastra, Goa for supporting such a mega event in Goa and hope that the organizers, exhibitors, delegates and visitors will be undoubtedly benefit from this mega show.

(N.H. Shivashankara Reddy)
Here is India’s very own Swadeshi National Event on Organic, Naturals, AgroFood, Ingredients, Biotechnology, Extracts & Formulations products, where hundreds of brands and government agencies have confirmed their participation. Over 3 days, literally thousands of your target-audience will be there. And of course your competition too. Out to grab a share of the booming market.

**ORGANIC INDIA’S FACTS & FIGURES**

- An urban middle class of around 200 million health conscious people.
- The organic food movement has grown four times in the last three years.
- Here is the largest number of green stores, compared to any other country.
- The area of organic vineyards tripled from 88,000 to over 256,000 hectares.
- Organic food market alone is estimated to grow at a CAGR of over 25% during 2015-20.
- India is the largest exporter of organically grown cotton, hand-spun thread and hand-loom textiles.
- The largest number of organic cultivators in the world are in India, and estimated at around 850,000 farmers.
- The National Program for Organic Production (NPOP) has developed the Indian Standard for Organic Textiles (ISOT).
- The population is now 1.4 billion with a wide diversity of cuisines, increasing purchasing power and urbanized lifestyles.
- We are the world’s largest organic producer with the largest wild produce and biodiversity of fruits, vegetables, and grains.
- The Jackfruit, organically grown, is produced in quantities larger than any other certified product in the organic farming world.
- The National Program for Organic Production (NPOP) initiatives bear fruit, while states take the lead in promoting organic farming.
- Organic fiber/clothing made from buckwheat, cotton, jute, kapok, silk, ramie, wool, etc. is grown in compliance with organic standards.
- There is increased awareness of the adverse effects of chemicals, pollution, monocultures, excessive irrigation and damage to soil or health.
- Organic food producing states (MP, Karnataka, Maharashtra, Gujarat, Rajasthan, UP and Odisha) held a 90% share of the production in 2014-15.
- Sikkim has been declared 100 percent organic by the government, while Kerala has over 70% of farm products produced through organic methods.
- Ranks 15th as the world’s organic area under cultivation (1.49 million hectares cultivated & 4.22 million hectares of forest, etc.) certified organic.
- PM, Shri. Narendra Modi identified Organic Farming as a National Priority & emphasized need to grow it in his maiden speech to the Parliament.
- There is a huge reservoir of goodwill for traditional medicines making it easily possible to embrace organic products & have swadeshi lifestyles.
- The country exports 263,687 MT of organic edible products worth over US$ 298 million to Australia, Canada, the EU, Korea, Middle East, New Zealand, South Africa, South East Asia, Switzerland, US, etc.

**NPOP - INDIA’S STANDARD WORLDWIDE**

A National Steering Committee (NSC) comprising Ministry of Commerce, Ministry of Agriculture, APEDA, Spices Board, Coffee Board, Tea Board and various other Government and private organizations associated with the organic movement is monitoring the overall organic activities under the National Programme for Organic Production (NPOP). This year NPOP standard has got equivalency with the standard of EU commission. Now the Indian Standard is acceptable in European Countries. Efforts for equivalency with NOP (USA) is under process.

INDIA'S ORGANIC AGRICULTURE, HORTICULTURE & FLORICULTURE

- It has 6,50,000 organic producers, 699 processors, 669 exporters and 7,20,000 hectares under cultivation.
- The market for organic food in India is anticipated to grow at a CAGR of over 25% during 2016-2021.
- A government study predicts the organic food value would reach $1.36 billion per year by 2020.
- Sikkim is an organic state with 75,000 ha under organic cultivation, which started in 2003.
- The organic food market in India is estimated to be over US$ 0.50 billion.
- Meghalaya aims to convert 200,000 ha into organic farmland by 2020.

WHAT'S DRIVING ORGANIC DEMAND?

- Growing awareness of health, changing lifestyles and increased spending capacity
- Rising instances of contamination of farm produce with chemical fertilizers and pesticides
- Increasing land area under organic cultivation, rising use of bio fertilizers and implementation of favorable policies
- Surging investments in organic market and increasing profit margins due to high premiums are encouraging farmers
- India becoming a prominent startup hub where many new players have entered the organic food market providing consumers with economies of scale

BIOTECH, NUTRACEUTICALS & INTEGRATED HEALTH

India is in the forefront of research and development in biotech and related spheres. Hence, we have better nutritionized and healthy variety of fruits, vegetables, oils (soya, canola and sunflower), golden rice, etc. Biotech drugs, pharma and vaccines are available for a number of health conditions and diseases. The growing demand from an enlightened huge Indian population is propelling R & D by the government, bringing in US$ 11 billion in 2016 revenues, and expected to reach US$ 100 billion by 2025.

According to 2016 statistics from IBEF and Make in India sources, the Indian biotech sector is divided into five major segments, including bio-pharma (64% share), bio-services (18% share), bio-agri (14% share), bio-industrial, including biofuels (3% share), and bio-informatics (1% share) with the industry increasing investments, outsourcing activities and raising exports.

Here are some strengths of India as a emerging BT giant:
- India is the largest producer of Hepatitis B vaccine recombinant
- India’s 1st biofuel refinery is expected to start production in Assam by 2019
- India ranks 3rd in the Asia Pacific region, and 12th in the world as a biotech destination
- India’s national bio-fuel policy 2009 mandates blending of petrol and diesel at 10%, and to be 20% by 2018.
- India has the 2nd highest number of United States Food & Drug Administration (USFDA) approved pharma plants
