

Workshop on
**Technology Identification for Scaling up
Green Housing in India**

The International Finance Corporation (IFC) has engaged with The Energy and Resources Institute (TERI) to identify & prioritize cost-effective building technologies relevant to green housing in India. The prioritization of these technologies will be done to ensure broader market uptake to achieve at least 20% reduction in the incremental cost of going green.

To support this endeavor, we request your participation in the workshop, open to vendors, technology providers and developers relevant to green housing in India.

Date: Thursday, 7th March, 2019

Time: 11:00 AM – 04:00 PM

Venue: International Finance Corporation, C-62, 6th Floor, G Block, Vibgyor Towers,
Bandra Kurla Complex, Bandra East, Mumbai

For registration please contact Mr. Ashok Kumar at ashokk@teri.res.in or call 011-4644-4500.
Registration closes on the 28th of February, 2019.

About SHLC

The Sustainable Housing Leadership Consortium (SHLC) was launched in 2016, convened by the International Finance Corporation (a member of the World Bank Group) under the Eco-Cities program supported by the European Union. Led by the private sector, founding members of the consortium include leading real-estate developers Godrej Properties Limited, Mahindra Lifespace Developers Limited, Shapoorji Pallonji Real Estate, Tata Housing Development Company Limited and VBHC Value Homes Private Limited, joined by the financial institutions HDFC and PNB Housing Finance Corporation.
